

Sure-Close is the best indoor foodscrap collection container on the market today.

The unique patent pending design incorporates a superior closure system as well as over a dozen additional features to provide maximum usability when filling, storing, carrying, emptying and cleaning.

- ✓ **Rugged secure latch** - one handed single motion open and close with audible latch feedback.
- ✓ **Double seal technology** - interlocking seal and superior lid clasp ensure positive lid closure - fruit flies stay out, foodscraps stay in.
- ✓ **2 lid options** - available with ventilated or solid lid.
- ✓ **Patented interior airflow channels** - help foodscraps remain aerated and odour free with ventilated lid.
- ✓ **Multiple carry options** - can be transported using the folding handle, under the lip grip or back grip.
- ✓ **Easy emptying** - bottom grip aids foodscrap removal.
- ✓ **Bottom feet** - four feet lift the container off the counter surface for increased hygiene.
- ✓ **Letterbox design with high backsplash** - wide top opening facilitates easy scraping of foodscraps into the container.
- ✓ **Stay open lid** - durable moulded stop points allow lid to stay open at 90 degrees and open flush to the rear.
- ✓ **Easy to clean** - smooth top edge and removable lid allows easy cleaning in dishwasher or sink.
- ✓ **Footprint well suited for corner placement** - lid can be opened under most upper cabinets.
- ✓ **Visually appealing** - a complimentary addition to any kitchen cupboard or worksurface with neutral color options.
- ✓ **Safety tested** - to CSA 1010 standards ensures safety and container longevity.
- ✓ **Made with odour and blemish resistant HDPE** - strong, durable and fully recyclable resin resists odours and staining.
- ✓ **Wall mountable** - optional bracket allows container mounting on wall or cupboard door. Bracket incorporates 2 cloth hooks.
